Re: No. 15-2186-CV; Avery v. Baddour and Hearst Communications, Inc.; In the District Court; Guadalupe County, Texas

Counsel and Mr. Avery,

I have reviewed the Defendants' Motion to Dismiss under §27.001 *et seq*, CPRC, the Plaintiff's response and the authorities cited.

It is the ruling of the Court that the Defendants' motion should be GRANTED and Plaintiff's legal action be DISMISSED.

I request that Mr. Donnellan prepare an order reflecting this ruling and forward it to me for entry with a copy to Mr. Avery.

Sincerely,

A handwritten signature in black ink, appearing to read "W.C. Kirkendall", written over a horizontal line.
